Dear Mr. Brown:

We reviewed references (a) through (c), submitted by your email dated October 17, 2022 (MSC Document No. 2216769), for compliance with 46 CFR Subchapter T. References (a) and (b) are **Approved**. The installation, workmanship and testing shall be accomplished to the satisfaction of the cognizant Officer in Charge, Marine Inspection (OCMI). Reference (c) is returned without action. Plans of this type are not required to be submitted to our office for review.

As an agreed-upon condition for your participation in the Marine Safety Center's electronic commerce program, you must provide the OCMI with a copy of this letter and references (a) and (b).

Our Project Number for this vessel is P022765. Please ensure that all future correspondence includes the Project Number and the Official Number that appears in the subject line.
