

Certificate of Inspection

Vessel Name: ISLAND FLYER

The vessel's operation is restricted to the table below:

Significant wave height	maximum speed (knots)
0-8.5 feet	27
8.5 feet and greater	seek shelter at slow speed

The minimum number of child-size life preservers is six (6). When more than six (6) persons weighing less than ninety (90) pounds are carried, additional child-size life preservers shall be carried so that the vessel has an approved life preserver suitable for each such person onboard.

A maximum of 24 passengers are authorized on the upper deck.

No crew shall enter the machinery spaces while the engines are in operation. The daily maintenance checklist shall be completed and retained on board for review by the Coast Guard upon request.
