

Certificate of Inspection

Vessel Name: BLUE PARADISE

The minimum number of child-size life preservers is fourteen (14). When more than fourteen (14) persons weighing less than ninety (90) pounds are carried, additional child-size life preservers shall be carried so that the vessel has an approved life preserver suitable for each such person onboard.

A maximum of forty two (42) passengers are authorized on the upper deck.

The master may not act as snorkel guide and must remain onboard the vessel for the entire voyage from the time passengers are embarked until they are disembarked at the final destination.

The required deckhand may serve as snorkel guide only when the vessel is securely moored.

No crew shall enter the machinery spaces while the engines are in operation. The daily maintenance checklist shall be completed and retained on board for review by the Coast Guard upon request.
