Vessel Name: ZATARA

exceeding twelve (12) hours in a twenty-four (24) hour period, an alternate crew shall be provided.

If the vessel carries additional crew members, the number of passengers carried must be reduced accordingly so that the total carriage onboard never exceeds twenty-two (22) persons.

The minimum number of child-size life preservers is three (3). When more than three (3) persons weighing less than ninety (90) pounds are carried, additional child-size life preservers shall be carried so that the vessel has an approved life preserver suitable for each such person onboard.

When operating on exposed waters or partially protected waters, the sails which may be set are limited to the mainsail and jib, as shown on the vessel's sail plan, bearing the U.S. Coast Guard Marine Safety Center approval stamp dated 26JUN09. The plan must be maintained onboard the vessel, in a suitable location, at all times.

When operating on protected waters, the sails which may be set are limited to the mainsail, jib, and screecher, as shown on the vessel's sail plan mentioned above.

Overnight accommodations for passengers prohibited.
